# ADRIA P2A

Product code: ADR40011

Type: Z11/093/L20 C HF\*

Short description of the luminaire: Black colour | pendant E27 light with HF sensor | TRIPLEX OPAL hand blown glass shade | rod pendant 20 cm |

## Technical data

|                           |                                |
|---------------------------|--------------------------------|
| Types of luminaires       | Sensor                         |
| Mounting type             | Suspended - rod                |
| Base material             | steel                          |
| Shade material            | three-layer glass TRIPLEX OPAL |
| Base color                | black Ral9005                  |
| Shade color               | white                          |
| Holding the shade         | steel holder                   |
| Mounting location         | ceiling                        |
| Width                     | 250 mm                         |
| Length                    | 250 mm                         |
| Height                    | 250 mm                         |
| Diameter                  | ø 250 mm                       |
| Suspension length         | 200 mm                         |
| mounting holes (diameter) | none                           |
| Impact strength           | IK01                           |
| Operating temperature     | from -20°C to +30°C            |

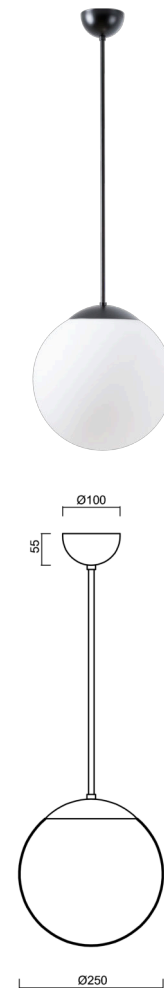

## Electrical data

|                    |      |
|--------------------|------|
| Power consumption  | 25 W |
| Ingress Protection | IP40 |
| Socket             | E27  |
| Sensor             | HF   |
| terminal block     | none |

## Luminous data

|                   |              |
|-------------------|--------------|
| Blue light hazard | Risk group 0 |
|-------------------|--------------|
