# DELIA V1

Product code: DEL52536

Type: IN-12KNV62/PM22 HF\*

Short description of the luminaire: White colour | semi-recessed E27 light with HF sensor | PMMA shade

## Technical

|                           |                              |
|---------------------------|------------------------------|
| Types of luminaires       | Sensor                       |
| Mounting type             | semi-recessed                |
| Base material             | steel                        |
| Shade material            | opal polymethyl methacrylate |
| Base color                | white Ral9003                |
| Shade color               | white                        |
| Holding the shade         | folding system               |
| Mounting location         | ceiling/wall                 |
| Width                     | 300 mm                       |
| Length                    | 300 mm                       |
| Height                    | 60 mm                        |
| Diameter                  | ø 300 mm                     |
| mounting holes (diameter) | none                         |
| Cable entrance            | 2xø16mm                      |
| Impact strength           | IK04                         |
| Operating temperature     | from -20°C to +30°C          |

## Electric

|                    |                     |
|--------------------|---------------------|
| Voltage type       | AC                  |
| AC voltage         | 220 - 240 V         |
| Power consumption  | 25 W                |
| Ingress Protection | IP44                |
| Socket             | E27                 |
| Sensor             | HF                  |
| terminal block     | snap terminal block |

## Luminous

|                   |              |
|-------------------|--------------|
| Blue light hazard | Risk group 0 |
|-------------------|--------------|
